Dr. Lisa Loree Licensed Clinical Psychologist

Dr. Loree earned her Doctorate in Counseling Psychology – Educational Psychology from Northern Arizona in 2018, completing her APPIC doctoral internship at The Guidance Center in Flagstaff, Arizona and her post-doctoral training at La Frontera Center in Tucson. Prior to completing her doctorate, Dr. Loree was a licensed associate counselor in the state of Arizona and has experience working

across numerous populations and settings including out-patient behavioral health care, psychiatric acute care hospitalization, and in-patient integrated healthcare in a residential ranch setting. In addition to working with individuals with serious mental illness, co-occurring substance use disorders, trauma-related disorders, mood disorders, and individuals navigating the mental health impacts of chronic illness. Dr. Loree has experience working with individuals navigating grief and loss, including divorce, marriage, and couples counseling, as well as in the assessment, diagnosis, and treatment of childhood and adult ADHD.

Dr. Loree's approach to therapy encompasses the whole person; emotional, spiritual, and physiological, and she values collaboration with naturopathic and allopathic physicians in the care of her clients. Dr. Loree brings a sense of hopefulness, acceptance, and gentleness to her work, and highly values each individual's unique experience and life perspectives.
